

# What do I do next?

## 1. Ask for a personalized demo

- See SpooliT in action on our system
- Ask questions during the demo
- Speak with a support technician not a salesman

## 2. Download SpooliT and try iT !

- Full trial version available
- Full installation + configuration support available
- Full help desk access to assist in configuration and rules creation

## 3. Contact us to discuss

- How to implement SpooliT
- How do other organizations use SpooliT
- Pricing options
